Discretionary Use Application – Child Care Centre – 115 Secord Way

APPLICATION SUMMARY
Dream Development submitted a Discretionary Use Application requesting approval to develop a Child Care Centre for up to 77 children, at any one time, at 115 Secord Way in the Brighton neighbourhood (see Appendix 1 for Location Map).

RECOMMENDATION
That this report be forwarded to City Council recommending that at the time of the public hearing, the Discretionary Use Application, submitted by Dream Development requesting Discretionary Use Approval for a Child Care Centre with a maximum of 77 children, at any one time, at 115 Secord Way be approved, subject to the following conditions:

1. The applicant obtain a Development Permit and all other relevant permits and licences (including a Building Permit); and
2. The final plans submitted be substantially in accordance with the plans submitted in support of this Discretionary Use Application.

BACKGROUND
The subject property is zoned RMTN1 – Medium Density Townhouse Residential District 1, under Bylaw No. 8770, Zoning Bylaw, 2009 (Zoning Bylaw) as shown in Appendix 1. The purpose of the RMTN1 District is to provide for comprehensively planned medium density multiple-unit dwellings in the form of townhouses, dwelling groups and other building forms, as well as related community uses.

Subject to Discretionary Use Approval, Dream Development is proposing to subdivide the existing sales office from the larger site and convert the building to a Child Care Centre to be operated by another agency. The centre is proposed to operate with a maximum of 77 children and up to ten staff members, at any one time, Monday to Friday, between the hours of 7:00 am and 6:00 pm.

DISCUSSION
Zoning Requirements
The Zoning Bylaw defines a Child Care Centre as “an establishment providing for the care, supervision and protection of children, but does not include the provision of overnight supervision.”

As per Zoning Bylaw regulations, a Child Care Centre with 77 children under care requires 269.5 m² of fenced on-site outdoor play space (3.5 m² per child). The site plan submitted in support of the application indicates approximately 600 m² of fenced on-site outdoor play space. Nine on-site parking spaces are required and have been provided (see Appendix 2).
Comments from other Divisions
No comments were received from other divisions that would preclude this application from proceeding.

COMMUNICATIONS AND ENGAGEMENT

Re: YMCA Day Care Centre

Dear Lindsay:

We have lived at Street for 18 years, beside the YMCA Sutherland Daycare. All these years we have enjoyed living hear and hearing the children laugh and play, totally having a wonderful time.

We have found that has operated the Daycare with a friendly and compassionate attitude. We wish well at new location.

Yours truly,

Ian and Lorraine Toombs

To Whom It May Concern:

Re: YMCA Day Care Centre

I am writing this letter in support of the YMCA’s application to build a day care centre in the Brighton neighbourhood in Saskatoon.

My name is Barb Klassen and I am an owner of [redacted] Fairmont Drive in the Fairhaven neighbourhood. One of the YMCA’s day care centres is a tenant of ours at this location.

We had the opportunity to collaboratively custom design and build this day care centre with and for the YMCA.

They have been a tenant since June of 2019 and it has been a landlord tenant relationship. Representatives of the YMCA are respectful, thoughtful and friendly and have had a positive presence in the neighbourhood and with the other tenants in our building.

In closing, I think a YMCA day care centre would be a great asset for the Brighton neighbourhood.

 Regards,

Barb Klassen

Discretionary Use Application – Gas Bar and Car Wash – 1218 Baltzan Boulevard

APPLICATION SUMMARY
102047446 Saskatchewan Ltd. submitted a Discretionary Use Application requesting approval to develop a Gas Bar and Car Wash at the site currently addressed as 1218 Baltzan Boulevard in the Evergreen neighbourhood.

RECOMMENDATION
That this report be forwarded to City Council recommending that at the time of the public hearing, the Discretionary Use Application submitted by 102047446 Saskatchewan Ltd. requesting approval to develop a Gas Bar and Car Wash at Parcel YY, Plan No 102273049, be approved, subject to the following conditions:

1. The applicant obtain a Development Permit and all other relevant permits and licences (including a Building Permit); and
2. The final plans submitted be substantially in accordance with the plans submitted in the support of this Discretionary Use Application.

BACKGROUND
1218 Baltzan Boulevard is zoned B4MX Integrated-Commercial Mixed Use District under Bylaw No. 8770, Zoning Bylaw, 2009 (Zoning Bylaw). See Appendix 1 for the Location Map. This zoning district facilitates mixed-use development on principal streets and provides for medium- to high-density residential, as well as commercial and institutional uses. It encourages retail and service-based uses and promotes a compact, pedestrian-oriented built form that supports transportation options, street-oriented buildings and active uses at grade level.

This application will be part of a shopping centre on McOrmond Drive, at Baltzan Boulevard and Payne Bend. The Gas Bar and Car Wash is proposed for the north corner of this site.

The building will be approximately 265m² and is designed to match the aesthetic of the shopping centre (see Appendix 2 for Site Plan and Appendix 3 for Proposed Elevations). It will provide for 13 vehicle parking spaces, 6 bicycle parking spaces and will be screened by a 1 metre high fiberglass fence. A pedestrian walkway will connect the sidewalk adjacent to McOrmond Drive to the proposed business.
DISCUSSION
Zoning Bylaw Requirements
The Zoning Bylaw defines a Gas Bar as:

"an establishment engaged in the retail sale of vehicle fuel, lubricants, and may include an accessory convenience store, but does not include any use engaged in the sale, rental, service and repair of motor vehicles."

A Car Wash is defined as:

"a building or portion of a building which is used for the washing of vehicles, including full service, automatic and hand operated facilities, but does not include facilities for the washing of vehicles with a gross vehicle weight of more than 5000 kg."

As per the requirements prescribed in the B4MX District, all buildings located adjacent to a street shall contain elements of an active frontage. Buildings fronting a street shall incorporate architectural features that provide visual interest along the street scape and reduce the perceived massing of the building. This application meets the active frontage requirements prescribed and all other applicable zoning bylaw requirements.

Dicretionary Use Application – Parking Station – 112 Avenue L South

APPLICATION SUMMARY
JT Investments Inc. submitted a Discretionary Use Application requesting approval to develop a Parking Station at 112 Avenue L South in the Pleasant Hill neighbourhood.

RECOMMENDATION
That this report be forwarded to City Council recommending that at the time of the public hearing, the Discretionary Use Application submitted by JT Investments Inc. requesting approval to develop a Parking Station at 112 Avenue L South, be approved, subject to the following conditions:
1. The applicant obtain a Development Permit and all other relevant permits and licences; and
2. The final plans submitted be substantially in accordance with the plans submitted in the support of this Discretionary Use Application.

BACKGROUND
112 Ave L South site is zoned R2A – Low Density Residential Infill District, under Bylaw No. 8770, Zoning Bylaw, 2009 (Zoning Bylaw) as shown in Appendix 1. This zoning district provides for residential development in the form of one and two-unit dwellings, while facilitating certain small scale conversions and infill developments, as well as related community uses.

The subject property currently contains a one-unit dwelling owned by the applicant. Demolition of the existing dwelling will be required to accommodate the proposed Parking Station.

112 Avenue L South will provide eight hard surfaced parking spaces for TJ’s Pizza located directly north of the subject site. These parking spaces will be accessed by the existing paved lane and screened from the adjacent residential properties with a one metre high fence.

DISCUSSION
Zoning Bylaw Requirements
The Zoning Bylaw defines a “Parking Station” as a site used for the parking of private passenger vehicles when such parking is ancillary to a permitted principal use located on an adjacent or nearby site.

As per Zoning Bylaw regulations, the portion of the parking station boundary that is adjacent to a residential district or use shall:

a) have a solid boundary wall or fence at least 1.0 metres in height; and
b) have a strip of land at least 1.5 metres in width running parallel to the common site boundary, landscaped and planted to the satisfaction of the Development Officer.

The site plan submitted in support of this application meets these zoning provisions and all other applicable Zoning Bylaw requirements (see Appendix 2).

LAND USE APPLICATION

Rezoning – Westfield Road – From FUD(H) District to R1A, R1B and RMTN District

APPLICATION SUMMARY
BDM Enterprises Ltd submitted an application to rezone lands in the Brighton Neighbourhood adjacent to Westfield Road from FUD – Future Urban Development District, subject to the Holding Symbol (H) to R1A – One-Unit Residential District, R1B – Small Lot One-Unit Residential District, and RMTN – Townhouse Residential District.

RECOMMENDATION
That a copy of this report be submitted to City Council recommending that at the time of the public hearing, City Council consider Administration’s recommendation that the proposed amendments to Bylaw No. 8770, Zoning Bylaw pertaining to the lands adjacent Westfield Road, as outlined in this report, be approved.

BACKGROUND
The Brighton Neighbourhood Concept Plan (Concept Plan) was originally approved by City Council in May 2014. The sites subject to the rezoning application are designated as Single Unit/Semi Unit Detached Dwellings and Low Density Street Townhouse Multi-Unit Dwellings on the Concept Plan (refer to Appendix 1).

DISCUSSION
The subject sites along Westfield Road are currently zoned FUD(H) District. The FUD District is an interim zoning district which is applied to sites pending urban development. The Holding Symbol (H) was applied to allow for the subdivision of land for ownership exchange purposes. The subject sites are proposed to be rezoned from FUD(H) District to R1A, R1B and RMTN District (refer to Appendix 2).

The zoning amendment will provide for the subdivision and development of one-unit dwellings and related community uses on the sites zoned R1A and R1B District, and street townhouses and related community uses on the sites zoned RMTN District. The proposed zoning will provide for development as shown on the approved Concept Plan.

Comments from other Divisions
No concerns were identified through the administrative review process that would preclude this application from proceeding to a public hearing.

COMMUNICATIONS AND ENGAGEMENT
In July 2020, a notice was sent to registered property owners within approximately 75 metres of the subject sites, the Ward Councillor and the Neighbourhood Services Manager. At the time of writing this report, no comments from the public have been received.
PUBLIC NOTICE
Public notice is required for consideration of this matter, pursuant to Section 11(a) of Policy No. C01-021, Public Notice Policy.

Once this application has been considered by the Municipal Planning Commission, it will be advertised in accordance with Policy No. C01-021, Public Notice Policy and a date for a public hearing will be set. A notice will be placed in The StarPhoenix two weeks prior to the public hearing.
