Council Chamber, City Hall

8.1.1 Municipal Heritage Advisory Committee - Renaming Request -Traffic Bridge – Information to Tell the Story of the Traffic Bridge[File No. CK. 6310-1 x 6050-8]

Municipal Heritage Advisory Committee (MHAC) resolved as item 3; "That other means are brought forward to tell Saskatoon's history, including folklore that are engaging and enticing to the public."

I believe, in reply to folklore which the public might be interested in is the history of Saskatoon's pioneer schools.

Could the following two referenced books be used to relate the Traffic Bridge, as they both have stories of the early days of Saskatoon

Blashill relates the words of the song that was sung on the opening of the Traffic Bridge on October 6, 1907. The children had the day off from school, and paraded from their respective schools to attend the ceremonies.

Schools, were indeed the centre of the community in pioneering days, and would be an excellent way to commemorate the life and times of the era, and the vital importance of schools to that time.
