Good Afternoon,

I am a resident in the 200 block of 9th Street (216) and I am in favour of a permanent closure. I appreciate how the city has conducted studies during a temporary closure that indicates less traffic on 9th Street. I have noted a decrease in traffic and significantly, speeding traffic. I feel like the street is part of residential neighbourhood now and not an easy, traffic-light free corridor to a busy freeway. Thank you for your work and the permanent closure.

Yours truly,

Shaun Murphy
