Subject Closure of 9th Street Onramp

Meeting (if known) City Council -public meeting on above subject

Comments

My husband and I visit 9th Street frequently to see our [REDACTED] granddaughters. We have much appreciated the reduction of traffic on the street whenever we are picking the girls up or dropping them off. It seems to us that more, not fewer, residential streets need to be made safer for children. We very much hope that City Council will permanently close the 9th Street Onramp.
