Hi Holly

Launel did provide a more exact form of their expression of partnering with SAAC in regards to the expo as follows. Can we print out a goodly number of copies to ensure everyone on SAAC receives this addendum on Feb 14?

"SCI Saskatchewan receives funding support from the Government of Canada (ESDC Employment and Social Development Canada) to advance the delivery of National AccessAbility Week, held annually starting on the last Sunday in May. NAAW is a time when accessibility and inclusion is promoted across communities and workplaces and a time to celebrate the contributions of Canadians with disabilities. SCI Sask works to collaborate with like-minded organizations, government, municipalities and businesses to highlight enhancements, initiatives and areas to improve upon in creating accessible communities.

It is to this end that SCI Saskatchewan is prepared to provide financial resources to the SAAC and E and A Subcommittee to ensure media announcements of the Awareness Expo, as a major event to usher in NAAW in Saskatoon. We look forward to pursuing this opportunity and to confirm the value of the sponsorship. "

Kind Regards
Julia
