Subject Proposed Regulations for Short-Term Accommodations

Meeting (if known) Municipal Planning Commission

Comments

Intend to speak out against the limitation of 6 persons in a independent short term rental property. This limitation severely restricts the ability for families and other groups to have an affordable way to travel together and stay together at a place. The provision for Group Travel in this way is a service only provided by short-term rentals and is not covered anywhere else in the hotel or accommodation Market.
