

Official Community Plan Redesign – Guiding Documents

Intent of the Official Community Plan Redesign project is to update the City of Saskatoon's Official Community Plan (OCP) to align with principles of the Plan for Growth. It also provided an opportunity to review other City of Saskatoon documents to ensure appropriate alignment with the OCP. In order to ensure this, an extensive internal engagement process occurred, as well as an extensive review of current City of Saskatoon management documents and endorsed initiatives. The following list provides an overview of the documents that have informed the work done as part of the Official Community Plan Redesign. As the project concludes, additional documents and Council reports will be added to this list as appropriate.
