I think people of any age should be allowed to ride on sidewalks in most areas of Saskatoon with just a few restrictions.

Riding on sidewalks should only be prohibited in retail areas, such as downtown, Broadway, Riversdale, and Mayfair.

People riding on sidewalks should have to stop or move to the road when meeting pedestrians, and move to the road when overtaking pedestrians.

This would allow cyclists to be safe in unsafe areas, and allow older or more timid cyclists to ride with out fear of being hit by a car.
