Subject: Budget Cuts and Lower Property Taxes

Message: Due to COVID-19, many Saskatoon taxpayers wish to alert the City Council members that the time is NOW for implementing a "bare bones budget" and freezing ALL non-essential city spending (especially all capital projects for 6 months to 1 year). There also needs to be a reduction in ALL commercial & residential property taxes until taxpayers and the economy can recover in 18-24 months from this devastating hit to personal finances!!!
