Subject: [SPAM] - Re: Conversion Therapy (File No. CK. 100-26) - Found word(s) sexual in the Text body

Hello Janice,

Thank you for keeping me informed. I would suspect that the organizations - most likely religious based - offering Conversion Therapy would not be doing so under a business license. However, I still feel that if Saskatoon were to follow suit with Vancouver and Alberta municipalities, this would send an important message to those who offer this practice.

I am hopeful that Bill C-8 will pass and that the city of Saskatoon would fall in line as far as bylaws and subsequent enforcement of the Criminal Code regardless of whether the therapy is offered as a business or otherwise. If Bill C-8 does not pass, I will respectfully request that Saskatoon expand the ban beyond the business licence.

I am extremely appreciative of all the City Council is doing for our municipality in these trying times.

Wishing you all the best,
Trisha Little
