RE: 7.1.1 BICYCLE BYLAW UPDATE

The Riversdale Business Improvement District (RBID) Board of Management was not able to meet in March to discuss the matter of bicycles on sidewalks in the commercial areas. It is disappointing to read about reporting deadlines for such matters when businesses were first being forced to close in March.

The Board did reconvene in April and agreed with the earlier decision in February that in the absence of proper enforcement it would be best to maintain the status quo and not allow bicycles on the sidewalks in commercial areas.

It is best for the ease of adhering to the current bylaws for skateboarding and cycling in the BIDs and safety for pedestrians and customers moving in and out of businesses on our narrow sidewalks.

Sincerely,
