Comments

Parallel Parking on the block is critical. It happens that there can be vehicles going both east and west, vehicles going north and south at the mid-block alleys and a vehicle exiting the underground parkade from the Luxe Condo, all at the same time. This is a situation complicated by poor visibility and narrowed roadway due to angle parking on the south side of 9th, particularly by long box trucks.

The proposal coming out of the February 2020 meeting is fully supported by Luxe residents.

Thank you,
