

2018 Canadian Award for Financial Reporting

ISSUE

The City of Saskatoon (City) has received a 2018 Canadian Award for Financial Reporting. This report informs the Standing Policy Committee on Finance and the general public of the award, as recognized by the Government Finance Officers Association (GFOA) of the United States and Canada.

BACKGROUND

The GFOA established the Canadian Award for Financial Reporting (CAnFR) Program in 1986 to encourage and assist Canadian local governments to go beyond the minimum requirements of generally accepted accounting principles, as set by the Public Sector Accounting Board of Canadian Institute of Chartered Public Accountant. Its purpose is to promote municipal governments to complete comprehensive annual financial reports that evidence the spirit of transparency and full disclosure.

The GFOA is a non-profit professional association serving 17,400 government finance professionals in the United States and Canada, with offices in Chicago, Illinois and Washington, D.C.

CURRENT STATUS

The GFOA presented the City with the Canadian Award for Financial Reporting for its 2018 Annual Financial Report in recognition of the City's ability to present financial information in a clear, concise and informative manner (Appendices 1 and 2).

DISCUSSION/ANALYSIS

The CAnFR Program encourages innovative financial reporting and maintains a high standard of quality recognized amongst peers. Its attainment represents a significant accomplishment by a government and its management.

Reports submitted to the CAnFR Program are reviewed by selected members of the GFOA professional staff and a review committee, which comprises individuals with expertise in Canadian public-sector financial reporting and includes financial statement preparers, independent auditors, academics, and other finance professionals. The financial statements were prepared by the Finance Division, Corporate Financial Services Department, in conjunction with the 2018 Annual Report prepared by the Administration.

This is the twelfth time the City has received this award.
