Mr. Clae Hack
Director of Finance
City of Saskatoon
222 3rd Avenue, North
Saskatoon, SK S7K 0J5

Dear Mr. Hack:

We are pleased to notify you that your annual financial report for the fiscal year ended December 31, 2018, qualifies for a Canadian Award for Financial Reporting (CAnFR). The CAnFR recognizes excellence in governmental accounting and financial reporting and represents a significant accomplishment by a local government and its management.

When a Canadian Award for Financial Reporting is awarded to a government, a Canadian Award for Financial Reporting Achievement (CAFRA) is also prepared for the individual(s) or department designated by the government as being primarily responsible for its having earned the CAnFR. The CAFRA has been sent to the submitter as designated on the application.

We hope that you will arrange for a formal presentation of both the CAnFR and the CAFRA, and that appropriate publicity will be given to this notable achievement. To assist you in this regard, a sample news release is enclosed.

We hope that your example will encourage other government officials in their efforts to achieve and maintain excellence in their own financial reporting.

Sincerely,

Michele Mark Levine
Director, Technical Services Center
