

## Survey of Selected Canadian Cities Consultation and Notification Practices

City	Written Notification	On-site signage	Web Page	Social Media
Regina	To community associations and Zone Boards	Yes for Discretionary Use and Zoning Bylaw Map Amendments	Not Used	Used only for City Initiatives
Edmonton	To property owners within 60 metres of subject site  For most applications a postcard is sent out rather than a letter.	Yes  Applicants/developers are responsible for their creation and placement. They must provide photos to confirm the sign's content and installation are in accordance with the City's requirements.	<a href="https://www.edmonton.ca/residential_neighbourhoods/neighbourhoods/oliver-planning-applications.aspx">https://www.edmonton.ca/residential_neighbourhoods/neighbourhoods/oliver-planning-applications.aspx</a>	City of Edmonton City Planning Branch has a separate twitter account  YEG City Planning @PlanEdmonton
Calgary	To adjacent neighbours on either side of the site	Two signs are required (notification/consultation then notification of public hearing)	<a href="https://development.map.calgary.ca/">https://development.map.calgary.ca/</a>	Used only for City Initiatives
Brampton	To property owners within 240 metres of subject site	Yes	<a href="https://www.brampton.ca/EN/Business/planning-development/devapps/Pages/Welcome.aspx">https://www.brampton.ca/EN/Business/planning-development/devapps/Pages/Welcome.aspx</a>	Used only for City Initiatives
Winnipeg	Determined by the Applicant. Advised by Planner staff	Yes	No	Used only for City Initiatives
Victoria	To property owners within 100 metres of subject site  200 metres when an OCP amendment is required	Yes	<a href="https://tender.victoria.ca/webapps/ourcity/prosporo/search.aspx">https://tender.victoria.ca/webapps/ourcity/prosporo/search.aspx</a>	Used only for City Initiatives
