Comments
I have been a 9 year resident in this [REDACTED] block of 9th Street. I have had one vehicle damaged by collision with another vehicle and have had a number of near misses of vehicular collisions. The present configuration of parking in this 500 block in conjunction with the volume of traffic flow is dangerous for foot and vehicular traffic. I am committed to seeing the proposed changes approved and implemented. Thus, wish to be an observer of this scheduled web meeting at 2:00 pm on Monday, May 04, 2020
