Comments

Hello, as one of the home owners on McFauld Cres, I would like to bring it to your attention that the subjective properties are right besides Wilson's greenhouse. We do hear late night noises of service vehicles working in greenhouse's yard after hours. The noise is too loud to disturb our sleep and we are 9 houses away, thus making the residential care homes more susceptible to the noise. I am concerned about the future senior residents in these homes as the noise will be very disturbing. Please consider this as a humble request to deny the permission.

Thank you.
