

# **STANDING POLICY COMMITTEE ON ENVIRONMENT, UTILITIES & CORPORATE SERVICES**

---

## **Montgomery Place Storm Water Management**

### **Recommendation of the Committee**

That the Administration proceed with Option 2 to coordinate Montgomery Place drainage improvements with other planned construction, and implement the proposed cost sharing program for property owners with non-compliant driveways to install culverts and restore driveways across right-of-way to existing conditions.

### **History**

At the June 1, 2020 Standing Policy Committee on Environment, Utilities & Corporate Services meeting, a report from the, General Manager, Utilities & Environment dated June 1, 2020 was considered.

Your Committee received a letter from Barb Biddle, President, Montgomery Place Community Association, dated May 31, 2020 in support of the report.
