

## APPROVAL REPORT

### Civic Naming Committee – First Quarter Report 2020

#### ISSUE

The purpose of this report is to consider naming requests to ensure they meet City Council guidelines, as set out in Council Policy C09-008, Naming of Civic Property and Development Areas.

#### RECOMMENDATION

That the Civic Naming Committee:

- 1) Recommend to the Standing Policy Committee on Planning, Development and Community Services that this report be forwarded to City Council for information; and
- 2) Issue direction with respect to the naming submissions contained within this report.

#### BACKGROUND

According to Policy No. C09-008, Naming of Civic Property and Development Areas (Naming Policy), all names proposed for the Names Master List will be screened by the Civic Naming Committee and meet City Council's guidelines for name selection. All requests for naming of roadways from the Names Master List will be selected by theme and prioritization by the Civic Naming Committee. Name suffixes are circulated through the Administration for technical review.

#### DISCUSSION/ANALYSIS

##### Names Master List

For the Committee's review, the Names Master List is included as Appendix 1.

##### Chief Mistawasis Bridge Naming Residual Submissions

Further submissions from the Chief Mistawasis Bridge naming engagement have now been vetted by an Elder consultant and received consent to be used from the appropriate individuals. These submissions were considered to fall under the following Naming Policy criteria:

1. Naming Criteria 3.3(a)(iii) "To commemorate local history, organizations, places, events or culture; and
2. Naming Criteria 3.3(a)(iv) "To recognize communities which contribute to the diversity of the city".

The names contained in Appendix 2 are being presented to the Civic Naming Committee for consideration to be added to the Names Master List. Appendix 2 includes the original submissions along with further research, as noted, provided by the City Archivists.

Please note the submission within this set, "Freda Ahenakew" is already in use for a public library. Additionally, the full submission "Chief Poundmaker / Pihtokahanapiwiyin"

would only be appropriate for a park, due to the length. These considerations will be acknowledged when prioritizing these names.

### General Naming Requests

The following naming requests have been received and require screening:

1. **“Ashwin”** – Wes Ashwin was a World War Two veteran and a D-Day participant. Ashwin was also dedicated to serving and supporting the community through his work as minister with the United Church and other organizations. The original submission is included as Appendix 3.

2. **“Blossom”, “Orange” and “Pallet”** – Blossom is to recognize the many fruit trees and bushes in Saskatoon, such as crab apples, saskatoons, sour cherries and haskap. It is noted when plants blossom it is also great for the bee population.

The Administration does not recommend the use of the name “Gartner” as there are existing streets named “Gardiner Avenue; Place” in the Sutherland neighbourhood and “Hilliard Gardner Park”, also in Sutherland.
