Background Information (Reason for name request):

In 1968, my Dad Victor (34 Years Old) was killed in a car accident that claimed a total of 4 lives. Dad was extremely active in the Westgate Community, involved extensively in softball and hockey. He coached both and was also an umpire for both girls and boys softball. A few weeks after the accident, a representative from City Hall visited our house and talked to my Mom about naming a civic park after my dad in recognition of his involvement in kids sports programs and volunteering throughout the community. At the time, my Mom was very distraught over our loss. She was 29 years old, I was 10 and my sister 8. Being in a tough frame of mind, Mom thanked the Civic Representative (Name Unknown) and said that she couldn't deal with the fact of driving down a street and seeing a Park with Dad's name on it and causing so much pain in reflecting on our loss. Years later, Mom regretted this decision and as she said many times over the years, she wasn't in the right frame of mind to make any kind of decision at that time. Mom is now 81 years old and I want to see her dream come through of having a street or a civic park named after my Dad. I don't have any documentation or confirmation of Dad's involvement, other than a team picture from 1967 and the knowledge that an annual award was given, starting in 1969 in his name, honoring the winner of the Boys City Playoffs. I was honored to make the first presentation at an awards banquet in 1969 that was held at Pleasant Hill School and was organized by Mr. Beatty, who was involved for many years in softball throughout the City. Dad and Mr. Beatty volunteered along with Mr. Nels Rissling for a number of years involving kids sports. It was Mr. Beatty who set up the annual award and donated the trophy that was presented annually.
