Comments

Baydo has requested for a tax abatement on the development on the corner of 25th St and 5th Ave N. I worked in Bylaw Enforcement for the City of Kelowna for 28 years before retiring to Saskatoon. Tax abatements in some cases lead to financial problems for a city. Kelowna experienced this before they stopped giving abatements for developments. Now the only abatements they give are for Heritage property. They now have \$2.4 Billion in reserves.
