Honoured Council members

I do hope you make masks mandatory on Saskatoon Transit. As an essential worker, I rely on transit for my daily commute and have consistently worn a face covering since early spring 2020. Choosing to wear a mask has put me in the minority, as most do not.

Food for thought, the city posted I must wear a mask in my community garden space but not on a bus. How backwards is that? It is time your precautions lined up with the other efforts to control this pandemic.

Thank you for your time.

Shelly Hawes
