**Subject:** Request to Participate - Public Hearing for P4G District Official Community Plan

Good morning Mr. Sarnecki,

One of our Cowessess First Nation representatives (Trustee or Council) will speak at the public hearing on September 24th.

The following concerns may be as follows:

- impact to First Nation people/communities moving forward with Treaty Land Entitlement (i.e. land acquisition and reserve creation)
- impact to our Treaty space in the area for 'inclusivity and equality'?
- natural resource management
- economic development and property development
- services through negotiated municipal services agreements

Please confirm receipt of this email and I look forward to hearing from you.

Thank you,

--
