Will the City be giving taxi operators a City Business License credit for the months our taxi plates didn't work in 2020 due to the COVID -19 situation? I personally had 2 plates that didn't work for 5 months.

Most of us are back working now, even with the COVID cases rising, but our income is down 30-40 percent and we could definitely use a rebate from 2020 applied to our 2021 City Business Licenses.
