Name of the organization or agency you are representing (if applicable)

Subject 8.1.2 . Conversion Therapy

Meeting (if known) Public Agenda Governance and Priorities Committee

Comments

I stand to change the language in this draft bylaw as it is threatening to remove the ability of health professionals, pastoral staff, and

perhaps even parents to determine treatments in the best interests of children who are experiencing gender distress. As a parent it is my right to assist my child when in need.
