Comments

We appreciate that the City Transportation division is considering options to reduce rail delays at rail crossings, especially at the intersection of 11th Street West. Our major concern with this rail crossing is the safety issue for Montgomery Place residents.

Our community is willing to assist in whatever way we can for consideration of all options that could alleviate the safety concerns for our neighbourhood.

We look forward to the city finding the right solution to this safety issue for Montgomery Place.

Yours truly,

Barb Biddle, President of Montgomery Place Community Association
