Good afternoon Shellie (City Clerk)

I have sent a request to speak on line please cancel, delete that request, and brief. Kindly use the brief below for the record, thank you.

Thanking your worship and councilors considering the utmost important request from brokers and stakeholders to look at the points proposed by the Transport Committee about amendments.

1. Level playing field for the age of vehicles from seven to 10 years.
2. Cap on Uber/TNC service providers or fix no of vehicle working instead of flooding the weak market.
3. Decals on the vehicles either Taxi or Uber/Lyft/TNC so customers can identify who is who.
4. Utmost paramount issue cameras in all vehicles which are providing service to residents, the business community, and visitors for the safety of everyone, customers, and drivers.

Thank you for your time.

Kind Regards

Mark Gill
Executive Director
