I am requesting to speak to City Council, on behalf of a rapidly growing community, regarding the Optimist Park new school location conversation.
We request that all the opportunities are being explored to achieve the best results for these communities, and not just what is fastest and easiest.

Thank you for the opportunity to present.

This is the link to my 4:55 PowerPoint Presentation. It is narrated and timed, so just hit play if for any reason I have zoom problems. I don't anticipate any.
