

STANDING POLICY COMMITTEE ON ENVIRONMENT, UTILITIES & CORPORATE SERVICES

Inquiry on Swale Education, Communications and Partnerships

Recommendation of the Committee

That the information be received.

History

At the March 1, 2021 Standing Policy Committee on Environment, Utilities & Corporate Services meeting, a report from the General Manager, Utilities & Environment dated March 1, 2021 was considered.

Your Committee received a letter submitting comments in support of the matter from Joanne Blythe and Candace Savage, Wild about Saskatoon, dated January 26, 2021.

In addition to forwarding the matter to City Council for information and the Saskatoon Environmental Advisory Committee for information, your Committee also resolved within its delegated authority that the reporting on implementation plan for the Green Infrastructure Strategy include specific consideration of the collaborative work of administrative departments to protect the Swale and Small Swale as important and valued natural assets in our city.
