Comments

This letter is to express my opinion on the proposed zoning in Rosewood along Greyeyes-Steele Way, which is my street. I am firmly against the City Council considering this proposed amendment and believe it would be in the best interest of my family, my neighbours, the people who live in Rosewood, and the city in general that this site NOT be rezoned into a Dwelling Group. This would ruin the green space the families of this area enjoy year round, create more traffic along our already narrow and busy streets (and therefor worsen the cars already parked on the street), and depreciate the value of our properties. Not to mention the many more years of construction beside our homes that will deter us from getting out and enjoying our neighbourhood. I hope the Council finds it in its' best interest as well and does NOT allow Arbutus to rezone this site into a Dwelling Group.
