Summary of 2021 Grant Applications

The Environment Category of the Assistance to Community Groups – Cash Grant program has a history of supporting significant environmental initiatives in the community. The grant supports activities that enhance the quality of life in Saskatoon by funding initiatives relating to environmental stewardship, water conservation, waste minimization, active transportation and green infrastructure. If approved, the 2021 Environmental Grant will help fund 13 community projects.

2021 Grant Applicant and	Project	Requested	Recommended
Reason for Request Relay Education – to pilot an education program on Climate Change and	Budget \$12,018	Funding \$6,000	Allocation \$6,000
Renewables, aimed at grades 10 - 12.
