Subject Meadowgreen Recycling Depot - Removing Fencing

Meeting (if known) Standing Policy Committee on Planning, Development and Community Services - File No.

CK 7830-5, x4000-18

Comments

I think it is very important, if council accepts the committee's recommendation of closing the Meadowgreen Recycling Depot - which I agree with - that the fencing around the depot be removed.

Leaving the fencing up will only hide illicit activities and promote unsafe activities in the area.

Thank you very much for your consideration.
