

STANDING POLICY COMMITTEE ON PLANNING, DEVELOPMENT AND COMMUNITY SERVICES

Riverbank Overlay District – Review of In-Ground Swimming Pools

Recommendation of the Committee

1. That Option 2 – Permit In-Ground Swimming Pools with Site Specific Geotechnical Review and Engineered Design – No Monitoring; and
2. That the Administration advise the Standing Policy Committee on Planning, Development and Community Services as to the feasibility and utility of using water consumption data as a means to identify leaks for in-ground pools in this district.

History

At the March 8, 2021 and April 12, 2021 Standing Policy Committee on Planning, Development and Community Services meetings a report of the General Manager, Community Services dated March 8, 2021 was considered. The Committee heard from the following people regarding the matter:

- Orion Morgan
- Andrew Wagner, Maison Design and Build;
- Graham Baxter; and
- Patrick Wolfe.

Your Committee is recommending Option 2 as outlined in the report and that the Administration advise Committee as to the feasibility and utility of using water consumption data to identify leaks for in-ground pools in this district.
