Good afternoon,

This is a short letter in regard to Item 7.1.4, Downtown Active Transportation Network. The Downtown Saskatoon Business Improvement District wants to be part of the engagement process and also requests that the City examine ways to ensure representation from residents who live Downtown in these important discussions. Additionally, ensuring opportunities for people who own property or operate businesses along the proposed routes is something we strongly encourage, and will help facilitate should we be asked to provide assistance.

Thank you,

Brent Penner

Executive Director

Downtown Saskatoon Business Improvement District
