Good morning,

The 2021 budget for the SMRC is \$ 16,000.

The Commission still needs to complete 2 reports for Council and start on a 3rd report regarding the Code of Conduct. Therefore, I request additional fund of \$ 15,000. The reason for the increase is because when the budget was allocated in 2020 for 2021 your office was not aware of the requested report on leave of absence which will be presented to Council in June.

I had informed the previous City Clerk that there may be a request for additional funds. My preference is to have an increase allocation rather than exceed the budget, our other option is to defer any additional work to 2022.

Please advise, thank you.
