Subject Changing John A McDonald Road

Meeting (if known)

Comments

Sending this in to support the change of the removal of "John A McDonald" road here in Saskatoon and to find another name. Change the names of all the roads of people just like John A McDonald, he is not the only one and all the other street names should be changed! The appraisal of someone like McDonald is an embarrassment to Saskatoon and Canada and changing the name would be a step toward reconciliation with indigenous people. Hiyhiy
