Subject: changing street names

Message: I am very against changing the name of John A MacDonald Road. The streets in the neighborhood are named after Prime Ministers, John A was a prime minister and like him or hate him he was a prime minister. The City may not need much to implement the change but it means amore trouble for the people who address is John A MacDonald Road. We have to inform all our Friends, relatives near and far and businesses. We will have to get passports and I.D.s Changed. It will be big job and a lot of work for us. It doesn't really accomplish anything anyway.
