This letter is in support of motion to change the name of John A MacDonald Road. To continue to honour the architect of an institution designed to erase an entire culture is to support genocide. To let indigenous community members voices fall on deaf ears is to ignore all calls of reconciliation. To change the name of the confederation park school to Wahkohtowin but leave it on a road with the name of the man that created the need for reconciliation falls short of reconciliation. Change the name.
