Comments

I support the motion to change the name of the John A McDonald name. This man caused so much pain and suffering, he is a symbol of forceful removal and destruction of First Nations' families, attempted genocide and harvesting children for rape, abuse, torture, starvation and so much more. Celebrating or commemorating this man is disrespectful to all those he harmed and to our communities as a whole. I encourage you to be open to considering this as an opportunity to move towards further reconciliation.
