Subject: For SPC-Planning, Development & Community Services-Mon May 10-Kylee Tonita Video

Hello Penny,

My name is Beverley Leonard and I am representing Women in Agriculture speaking to the closure of Marquis Downs at the meeting scheduled for Monday, May 10th.

I would ask that this video be included along with my own, to represent how many young women get their start in Agriculture and the Equine world with an affordable OTTB (off track thoroughbred horse), who may otherwise not be afforded the chance.

Thank you,  
Bev
