City Saskatoon

Province Saskatchewan

Postal Code [REDACTED]

Name of the organization or agency you are representing (if applicable)

Subject Landfill fees for elm wood

Meeting (if known)

Comments

Saskatoon's urban forest consists of a large number of public and private elm trees which are at risk of dying from Dutch elm disease. Considering the recent case of Dutch elm disease in Saskatoon, I respectfully request the City of Saskatoon to eliminate all landfill fees for the safe disposal of elm, as an important contribution to the preservation of Saskatoon's urban forest.
