Dear Mayor Clark,

Thank you for considering stricter measures in halting the spread of COVID in the city. With rising cases and our healthcare system stretched to a breaking point, I hope city council will require indoor masking, vaccinations to access non-essential services, and all employees of the city to be vaccinated. I am so disappointed in our provincial government's failure to act, especially as we enter a fourth wave with children unable to be vaccinated. I hope that Saskatoon will be a leader in this province and make the necessary decision to increase health measures in the city.

Thank you for your service and commitment to protecting the health of Saskatoon's citizens.

Thank you,

Allision Cammer
