

GOVERNANCE AND PRIORITIES COMMITTEE

Curbside Organics Collection: Affordability Threshold and Triple Bottom Line Approach to Tendering Collections

Recommendation of the Committee

That the City of Saskatoon in-source city-wide collection of organic waste as provided in Option 1 in the June report to Governance and Priorities Committee on this topic.

History

The Governance and Priorities Committee, at its meeting held on August 23, 2021, considered an information report from the Administration regarding the above and respectfully submits the above recommendation.
