Our city, especially the schools in Saskatoon MUST get a handle on the number of cases in our province. Let's me a good example for Saskatchewan. Mandatory vaccines and mandatory masks need to be our city's number one focus. Let's move forward and make Saskatoon a safe place to be. We have a right to be protected against the virus. It's time, Mr.Clark. Please take the lead in this, otherwise it will never end. Thank you for your time.
