Civic Naming Committee,

Dear Members,

I am writing concerning
the proposed name change of Sir John A.
Macdonald street in Saskatoon.

What our forefathers accomplished
was amazing and we have all benefited
from so many things. But we know they
made mistakes. No one is perfect. But
this is history. They thought they were
doing the best at the time, in those
circumstances.

Residential schools was a bad decision,
we all know now. But it's part of
our history. Name of us is perfect.

Sincerely,

an ex-resident. of Saskatoon

Jean Macdonald.
