Why is this report being considered before the report from the Office of the Treaty Commissioner has been presented to Council? My understanding was that the OTC report was to be presented at

the September SPC-EUCS, but it was not on that agenda.

In Appendix 1, the Office of the Matriarch is listed as a capital budget item. In Appendix 2, it states that the annual operating budget is \$400,000. Is this project being funded as an operating or a capital project?
