Comments

Please consider the following requests for the preliminary MYBB document that is being created:

- Remove all references to “Subways”. Saskatoon does not have any.

- Remove the reference to "Earth Streets" or define it so that it can be understood.

- Be consistent and use the Schedule of Reserves from the Annual Report for the Capital Reserve Sufficiency schedule in the MYBB. Right now, they are inconsistent. For example, the Annual Report lists "Affordable Housing-Operating" and "Downtown Housing" on the Schedule of Reserves. Neither are identified as such on the Capital Reserve Sufficiency in the MYBB.
