Standing Policy Committee
on Planning, Development, and Community Services

Dear Committee Members:

Re: Legacy Review and Renaming Requests – Interim Report
(File No. CK 6310-1 x 5615-1)

At its meeting held on September 2, 2021, the Civic Naming Committee considered the attached report of the General Manager, Community Services Division, along with the following:

- six communications directed to the Civic Naming Committee on the matter prior to Council direction; however, included for the public record; and
- four renaming submissions

The Committee resolved:

1. That the Civic Naming Committee recommend to the Standing Policy Committee on Planning, Development, and Community Services that this report be forwarded to the Governance and Priorities Committee for information related to the 2022/2023 Business Plan and Budget options; and
2. That the correspondence be received as information and the Administration be requested to follow-up with the renaming submission applicants regarding the process for application to the Names Master List.

Please consider resolution 1 above at your meeting scheduled for September 13, 2021.

Sincerely,

Janice Hudson
Committee Assistant
