

# **GOVERNANCE AND PRIORITIES COMMITTEE**

---

## **Waste Utility Timing, Phase-In and Affordability Options**

### **Recommendation of the Committee**

That the City of Saskatoon proceed with Option 2: A fixed monthly rate for the curbside organics utility with a January 2023 implementation, and a variable rate for black cart garbage utility with implementation in 2024, as outlined in the report of the General Manager, Utilities and Environment Division dated October 18, 2021.

### **History**

The Governance and Priorities Committee, at its meeting held on October 18, 2021, considered a report from the Administration regarding the above, along with an email submitting comments.

Your Committee resolved, in part, to submit the above recommendation for Council's consideration. In addition, the Administration was requested to proceed with waste utility affordability program development focusing on a transitional approach, reporting back by Q3, 2022.
