Re: Appointment to Municipal Heritage Advisory Committee (MHAC).

The Sutherland Business Improvement District (SBID) is undertaking a review of its administrative structure. During this review, we will not have an individual to represent our BID on the Municipal Heritage Advisory Committee. However, the Sutherland BID would like to remain informed of MHAC activities and would request the minutes from any meetings be forwarded to us for review with our Board and comment as the need arises.

Our current Executive Director, Mr. Lloyd Moker is completing his contract with our BID and will be moving on.

If there are any items that may require our input, please feel free to contact me.
